

# hero

Extreme simplicity and visual linearity. The minimalism and functionality in design. Most modern areas today are furnished with light lounge furniture which both appeal to the eye and offers excellent comfort. Hero easy chair features curved seat and back which brings the ergonomics. Fashionable fabrics complete the design attitude.

Large but light,  
curved but simple.

The result of  
design met the  
needs of lounge  
solutions. In the  
overall collection,  
functionality and  
ergonomics has  
been the most  
important interest  
of the designers,  
and Hero is one  
of the best pieces  
meeting these  
needs.
